#### Hi I'm Jen!

"For a couple of years now,
I've been trying to be much
more intentional with my
life: who plays a role, how I
spend my time, doing work I
love, the things I choose to
eat, etc. I fail often, but I love
being in a community in
which we're all mindfully
considering our choices and
our lives."

NICOLE VAN VELZEN

"I have spent most of my life being everyone's "doormat"...after following you...I decided to start focusing on myself...I can focus on being the best me I can be. You mean a lot to me. and are making a huge difference in me as well as others."

KIMBERLI LYNN NELSON

"Jen Moff is such an energetic, funny, and engaging speaker! She connects with and relates to her audience using warmth, humor, and her own personal experiences - if you have the opportunity to hear her, don't miss it."
